**EQUIPMENT QUESTIONS**

We would like to get an assessment of the type of equipment you repair. Please rate on a scale of 1 through 10 (10 being the highest and 1 being the lowest) what your level of expertise is on troubleshooting and repairing each of the listed equipment. Also, please check the frequency level of how often you work on the equipment.

<b>Type of Equipment</b>	<b>Level of Expertise (Check one)</b>										<b>Frequency Level Repairing the Equipment (Check one)</b>
